## *Breed Spotlight*

### **Breed of the Month**

#### **AKC MEET THE BREEDS®: Boxer**

The well-conditioned middleweight athlete of dogdom, the Boxer is a powerful dog with an intelligent and alert expression. While they are instinctive guardians, the Boxer loves to be with his people. This personality has allowed them to succeed as couriers during war time and as seeing-eye dogs for the blind. Appearing in both fawn and brindle colors, the Boxer currently ranks as one of the most popular dogs in the United States according to [AKC® Registration Statistics](#).
