President's Message, Danielle Silverstein: Moved out of Sentinel Storage, all equipment is now being stored in the end stall (aka Stall 4) at Dwight and Paula Cash's. Payment is \$125/month saving the club \$205 a month, plus the VERY NICE convenience of having all our equipment in one place that we hold events at.

Secretary Report, Robin Murphy June 2026 Minutes were posted on the club's website, Any changes or corrections to the May 2026 minutes?

- Entry fees were \$3.50 for the 1st entry to \$3.00 for the 2nd for ever it seemed.

In 2025 they went to \$3.50 per entry, 2026 they went to \$4.50 per entry, **in Jan 2027 will go to \$5.50 per entry.**

•AKC has phased out the mailing of information on all every event as everything can be now downloaded, a one annual kit per year for each sport a club is active in. Below is the mailing schedule for affected sports: June is designated for Obedience, July for Rally, August for Agility (though we not get since we have yet to have an Agility Event)

- This came across yesterday, Tues the 30th:

The AKC Rally Regulations (Chapter 2, Section 3) are straightforward on this point: handlers who bring or offer food, toys, or any item that appears to be a training device or aid must receive a non-qualifying score. This same language will be added to the Obedience Regulations at their next reprint. These are mandatory scoring actions, not judgment calls, and uniform application is what keeps the sport fair for everyone. **REASON this was brought up?** Facebook Group.
